Dear Sir/Madam,

Subject: Selection of suitable technology partners for Circulating Fluidised Bed Combustion (CFBC) Boilers covering all types of fuels and ratings i.e. a) up to 150 MWe rating b) above 150 MWe rating including subcritical & supercritical parameters by BHEL under a License and Technology Collaboration Agreement

Bharat Heavy Electricals Limited (BHEL), a Maharatna CPSE of GoI, is looking to enter into a License & Technology Collaboration Agreement with OEM of Circulating Fluidised Bed Combustion (CFBC) Boilers for thermal power plants and other applications.

In this regard, BHEL has floated Expression of Interests (EoIs) on BHEL's website www.bhel.com seeking response from OEMs of CFBC Boilers who own the technology and would be prepared to discuss with BHEL regarding transfer of technology for CFBC Boilers.

We seek your kind support in further circulation of the enclosed EoI documents, to the companies engaged in this business, so that BHEL can receive a wider response.

Thanking you,

Yours sincerely,

Rajesh Kohli
